## Tactical Objectives 2015-2017

### Advocacy

- Strategically capitalize on advocacy opportunities as they arise
- Continue to work with like-minded coalition organizations
- Continue to work at the federal level towards a legislative solution for state authorization
- Build and share stories of the impact of state authorization

### Clinical Education & Research

- White paper that addresses impending clinical education crisis
- Identify what employers find are obstacles and goals for effective clinical education
- Infuse models of clinical education into October 2016 Annual Meeting
- Topic for ASPA Breakfast

### Corporate Alignment & Partnerships

- Recruit additional corporate/employer members
- Work with corporate partners to address rehabilitation needs globally
- Address the needs and values of our corporate sponsors
- Develop a student organization/opportunity
